

## Tarquinio Photo Engagement and Wedding Photo Questionnaire

\*The more thoroughly you can tell me about yourselves, the more personal a set of photos I can create for you.

How did you meet?

What was your first date? How did it go?

How did he propose?

What defines you each individually? (Not just your job. That's what you do, not necessarily who you are. By this I mean something like your greatest interests plus your emotional involvements. So maybe you're a baker, and you can include that, but say maybe you volunteer helping disabled veterans on the weekends because of someone in your family. Jazz music takes you somewhere else and you dabble with the guitar. Now you're not just a baker. You're a compassionate and caring individual moved by an entire style and culture of music.)

How do other people perceive you each individually?

What defines you as a couple? (What connects you? What brings you together? But also what are you as a whole? Are you the fun couple that gets everybody out and doing things? Are you the couple that always wins at game night? Are you both audiophiles, sports nuts, adrenaline junkies, homebodies, passionate lovers?)

How do other people perceive you as a couple?
